## Bottlenecks and Threshold Concepts Reflection Form

---

<i>Questions to Consider</i>	<i>Analysis and Reflection</i>
<p>Identify one threshold concept for the course you teach.</p>	
<p>How might a student's unfamiliarity with this threshold concept impact their ability to master your course content and perform effectively in course assessments?</p>	
<p>What design can you introduce into your course that will familiarize your students with this threshold concept?</p>
